

MICHAEL MAJERUS FUND

GRANT APPLICATION

Broad criteria for this grant can be consulted on the following website:

<http://www.amentsoc.org/about/majerus-grant.html>

(As a guideline, please note that successful applicants for this relatively new Grant are unlikely to be awarded more than £250 at present).

PROJECT OR ACTIVITY

Please describe what the proposed project involves. You should provide detailed costings where available (please use a continuation sheet if necessary).

PURPOSE

Please outline the ultimate aim of your project.

How does your project encourage active involvement in entomology by a new generation of naturalists?

Please state who benefits from your project. How will your project advance amateur entomological study, research or education?

AMOUNT OF FUNDING REQUIRED

Please state the total funding required for the project, and the proportion of this funding you are requesting from the Michael Majerus Fund.

Total funding required £.....

Majerus funding requested £.....

Signature..... Date.....
