## IMPORTANT

**As a Registered Charity, the Society may be able to reclaim a substantial amount of tax on your eligible payments, thereby helping to ensure the future of the society and to keep the costs of subscriptions down for everyone.**

If you are a UK tax payer and pay income and/or capital gains tax please complete the simple Gift Aid Declaration below. This will not cost you anything - however, **you will need to ensure that you pay sufficient tax to cover all your Gift Aid charitable donations each year**, otherwise HMRC may ask you to repay the difference in tax.

If in the future your circumstances change and you no longer pay UK tax, you can let us know to cancel this declaration.

#### **Gift Aid declaration:**

I wish the Amateur Entomologists' Society (Registered Charity No. 267430) to claim tax back on any eligible payments I have made in the past 4 years and in the future, under the Gift Aid Scheme. **I am a UK tax payer** and pay an amount of income tax and/or capital gains tax at least equal to the tax that can be reclaimed on my donation.
